# Seeing signs in navigationbar and sharing

Posted by webmaster@interwhere.nl - 2016/02/05 14:27

_____

When i publish my first book i see several red < signs in the navigation bar how can i delete this? and sharing does not seem to work

_____

Hello,

The problem with site template styles. Add the following CSS rule to fix the problem:

LI.smartbook-list-item::before {content:""!important;}

Regards,
ARI Soft
