
Image in FB Share Results?

Posted by lynmangoro - 2017/06/28 15:09

Hello

everything is almost ready to go live but when I try to share the results on facebook no image is showing with the post. I have added images for the personalities but they do not show.

Any tips?

Hello,

It occurs due to updates in latest version of Facebook API, we will improve this functionality and add an image to Facebook shared post in the next major version of the plugin. We suppose it will be available within 2 weeks.

Hello,

"ARI Stream Quiz PRO" v. 1.5.0 is released. It is compatible with Facebook API v. 2.9 and share result title/content/image in post on Facebook.
