thumbnail in grayscale

Posted by nabot2 - 2017/08/04 15:53

_____

Hi from France
Sorry for my English
i use arizoom in a module (Joomla 3.7.4) but if i set to no the grayscale parameter the thumbnail appear in gray.
An idea ?
 :blush:

_____

Hello,

Could you provide a link to a page where the problem occurs and a temporary access to your J! backend by email so we can investigate the problem?

Regards,
ARI Soft

_____

hi
Don't worry, i found the answer : i had to created again the folder with the picture and it works fine.
bye
