
ARI Data Tables change themes

Posted by asukhu - 2011/08/09 03:07

Hi I am new to using ARI Data Tables. How can i change the theme for the Data Tables module?
Thanks.

Hello,

If you mean "ARI jTable" plugin from "ARI Smart Content" extension, open "ARI JQuery UI Loader" plugin settings page and choose theme in "Default jQuery UI 1.7.2 theme" drop-down.

Regards,
ARI Soft

Thanks that works.
Is there a Dynamic way of changing the theme on the webpage?
