## unable to install jVisualizer and 3D Chart

Posted by latino - 2011/09/27 21:40

---

Hi:

This is related with revision 1.8, arij3dgraph nor arijvisualizer can't be installed.

:unsure:

Hello,

Could you explain in more details what do you mean?

Regards,  
ARI Soft

Hi:

Ok, I was installing incorrectly (wrong directory). Will try again.
