Ari ExtTab Plugin

Posted by wimverhoef - 2012/04/06 14:53

_____

The text in this plugin is quoted (" ") in the html code, in stead of tagged ().
Ñ—Is this bad for SEO or in other words , is Google detecting this text??

Thanks

Hello,

Could you explain in more details what do you mean? Tab titles are added by javascript.

Regards,
ARI Soft
