Jcarousel - is it possible? Posted by tom - 2009/12/10 20:25
I want to buy ARI Jcarousel. I need add different links to images. One image - one link. I will be linking to articles in joomla. Is this possible?
Re:Jcarousel - is it possible? Posted by admin - 2009/12/11 10:48
Hello,
Unfortunately the plugin doesn't support this possibility.
Regards, ARI Soft
