
Cant change the title of a column

Posted by Benjamin. - 2012/09/05 14:21

Hi guys,
I can't change the column titles.

Can someone help me please?

my code:

```
{arijdatatable bPaginate="false" }  
{aricsvtable file="images/Test.csv"}  
  {aricsvtablecolumns}  
    {aricsvtablecolumn id="New Name" alias="Account" width="20%" className="idg"}  
    {/aricsvtablecolumn}  
  {/aricsvtablecolumns}  
{/aricsvtable}  
{/arijdatatable} http://www.ari-soft.com/images/fbfiles/files/Test.txt http://www.ari-soft.com/images/fbfiles/images/05.png

Hello,

Use the next code:

```
{arijdatatable bPaginate="false"}  
{aricsvtable file="images/Test.csv"}  
  {aricsvtablecolumns}  
    {aricsvtablecolumn id="Account" alias="New name" width="20%" className="idg"}  
    {/aricsvtablecolumn}  
  {/aricsvtablecolumns}  
{/aricsvtable}  
{/arijdatatable}
```

Regards,
