
Deprecated: Assigning the return value

Posted by terencef - 2013/01/05 14:32

Hi; I'm getting this message all of a sudden - probably due to hosting upgrade..

What's the fix please?

Deprecated: Assigning the return value of new by reference is deprecated in
/home/.../public_html/administrator/components/com_arismartcontent/kernel/Web/class.TaskManager.php on line 114

Thanks

Hello,

Do you use the latest version of the extension?

Regards,
ARI Soft

Sorry - my bad I just downloaded V1.8.1 to fix this!

Thanks
