
problem with fancy thumbnail

Posted by mohanned2012 - 2013/02/06 07:21

when i placed the code and the plugin ...the gallery appeared ...but when i click on the image its starts loading and remail forever...the image never shows ...what seems the problem here

here is the code i am using in my article

```
{arifancythumb src="/images/thanks/th1.jpg" title="title" thumbWidth="150" thumbHeight="150"
hideOnClick="true|false" zoomSpeedIn="1000" zoomSpeedOut="1000" overlayShow="true|false" }
```

Hello,

Where we can see the problem? It can be a javascript conflict with a 3rd party extension.

Regards,
ARI Soft

If you can send a link to a page where we can see the problem then send page files by email.

Regards,
ARI Soft
