
Drop down Search Boxes

Posted by gauley - 2013/05/15 16:53

Hello trying to figure out if it is possible to do a drop down search box with a CSV file. Here is our table
<http://www.aceraft.com/adventure-packages/302-all-in-one-day-packages/714-all-in-a-day-multi-adventure-packages>

Also if this is possible, it is possible to have two different drop down boxes?

Thanks

=====

Hello,

The extension doesn't support this feature.

Regards,
ARI Soft
