
Is this using joomla 1.5 native?

Posted by elamedia - 2010/05/19 16:40

Hi,

I would like to purchase smart contact and would like to know if they support native?

and i DO NOT need to turn on legacy.

If it supports native i will go ahead with my order.

Regards

Hello,

Yes, 'ARI Smart Content' works in Joomla! 1.5 native mode.

Thanks for the fast reply.

Also can i edit all the CSS of the plugs-ins etc?

EXAMPLE: <http://smart.ari-soft.com/ari-jtabview.html>
