
ARI Plugin - arijdatavisualizer is not working

Posted by apdealfow - 2013/09/17 06:20

Hi,

when I install arijdatavisualizer plugin every time it is giving following error.

Plugin(s) installation failed

And on the we are getting

```
{arijdatavisualizer type="pie" hideTable="true"}
```

```
Stock Chart on Company Name  Next Round Valuation  Latest Valuation  Latest Valuation Date  Amount Invested  
Investment Valuation  Invetsed Date
```

```
google1 ss 3343 2013-09-25 344 33 2013-09-27
```

```
yahoo 45 45 2013-09-26 34 45 2013-09-27
```

```
google 300 500 2013-09-25 500 200 2013-09-16
```

```
hhhaas asas 2013-09-24 2013-09-25
```

```
as 2013-09-25 2013-09-18
```

```
{/arijdatavisualizer}
```

Hello,

Unzip the archive with the plugin and read readme.txt file. It contains instructions how to install the plugin.

Regards,
ARI Soft
