
Now Loading Message keeps on running

Posted by rscampanero - 2013/10/01 06:23

"Now loading" message never stops running even i have all the data posted.

I have used the following codes:

```
{arijcsv2table url="/csv/filename.csv" select="0" sortable="0"} http://www.ari-soft.com/images/fbfiles/images/loading_message.png
```

Hello,

It looks like a javascript conflict. Is it possible to see the problem?

Regards,

<http://www.osac.edu.sg/post-graduate/diploma-in-logistics-and-supply-chain-management>

It works on my Google Chrome Browser but on other browser it keeps on loading. Even when browsing using my mobile phone.

I have placed that code more than 10pages on this website.

Hi,

It really doesnt work on mobile device. "Now loading icon just keep on circling around"
It works fine in desktop but on mobile phone it doesnt.

Please help!

Hello,

We have checked it in different browsers on Android device and the plugin works fine.

Regards,
ARI Soft
