

Export to csv/pdf  
Posted by lb.fam - 2014/01/03 18:06

Hello,

Can you advise if the components in the Data Table Pack support export to PDF and CSV?

Hello,

The plugins don't support this ability.

Hello,

Was searching the forums and saw a reference to TableTools. Is this supported?

This is supported by "ARI Data Table" widget from ARI Data Tables extension.

I purchased ARI Smart Content. Do I have to also purchase another plugin to export my reports to CSV files?

Currently it is not possible, but we will implement this feature in a future version of the extension.
