---

Hello,

Download and update the extension. Installer offers to update "ARI Smart Content - Tabs" application. Update the application.

Regards,  
ARI Soft

---

Could you provide a link to a page where the problem occurs and a temporary access to your J! backend by email?

Regards,  
ARI Soft

We can't open the link. Probably access is disabled by Firewall or available only for specific IP addresses.

Regards,  
ARI Soft
