Easy Slider and Images

Posted by tommasop - 2015/03/12 13:57

_____

Is it possible to show images in Easy Slider getting them from introtext or fulltext?

_____

Hello,

Do you want to show only images or content of articles with images?

Regards,
ARI Soft

_____

Content and images like in your demo!

Thanks a lot

Tommaso

_____

Just place images into articles which want to show into the slider.

If something doesn't work, could you send a link to a page with the slider and screenshots of module settings page and data source settings or a temporary access to your J! backend by email?

Regards,
ARI Soft
