Navigation pics for cloud carousel
Posted by Mogwai - 2017/02/11 12:34

_____

Hello,

Can you please tell me where I can find the navigation pics for the cloud carousel which is included to the ARI Smart Content? I did change coloring in those in mod_aricloudcarousel but they are not used.

Thanks for the help!

Regards,
Mogwai

_____

Hello,

See images in /media/arismartcontent/cloudcarousel/themes/default/images folder.

Regards,
ARI Soft

_____

Hello,

Great, that worked. Thank you very much. Topic solved.

Regards,
Mogwai
