Sub Menu hover color change

Posted by Patricia17 - 2011/01/28 21:29

_____

Hello again,

Thanks for all of your help. One last problem. How can I change the hover color of a sub item link. http://sillyfly.com

I just posted a review on the Joomla forums, you guys are terrific!

Patricia

_____

Hello,

It seems another menu module is used on your site.

Regards,
ARI Soft
