## center horizontal menu

Posted by yellow\_umbrella - 2011/10/04 09:29

---

Hello,  
I am sorry to ask but i don't know how to center horizontal menu after i removed empty spaces. How can i possibly do this?

Hello,  
Use the next CSS rule:

```
#headerMenu .moduletable
{
  text-align: center;
}
```

Regards,  
ARI Soft
