
remove background color

Posted by xbass540 - 2012/06/18 19:24

hallo and congratulations for the great extension.

i'd like to remove the background color and borders from all the items .main and submenus.
i did apply

```
.nav .yuimenu .bd
```

```
{  
  border-style: none !important;  
}
```

```
.nav .yuimenu .yui-menu-shadow
```

```
{  
  display: none !important;  
}
```

```
.wrapper .container .nav .yuimenu li
```

```
{  
  width: 100%;  
}
```

in the css rules box but nothing happens.

the link is : www.masterworks.gr/index.php

please advice

thank you very much!

Hello,

Add the next CSS rule:

```
.yui-skin-sam .yuimenu .bd
```

```
{  
  background-color: transparent !important;  
  border-style: none !important;  
}
```

Regards,
ARI Soft

thank you so much for the reply,

it did work. i'd like also to remove hover color and active item color. also on the subitems there is a fade box around them
i'd like to have it also removed

thank you very much

i'm very sorry,

there was a problem in the server.please try again

best regards
Kostas

Add the next CSS rules:

```
.yui-skin-sam .yuimenu .yui-menu-shadow
{
display: none !important;
}
```

```
.yui-skin-sam .yuimenu LI
{
background-color: transparent !important;
}
```

Regards,
ARI Soft
