IE Dropdown Doubling in Size
Posted by virtualimage - 2012/11/16 17:22
_____

Hi,

This issue can be seen in IE7-9. When you mouseover, the dropdown shows but it also has another empty div in a different colour below.

Any ideas why?

http://216.104.170.211/fr/

Thanks!

Quinn

Hello,

It can be a problem with custom CSS rules for the menu. Try to use the following CSS rule:

.yui-menu-shadow
{
 display: none !important;
}

Regards,
ARI Soft
