Menu Sub Items not displaying correctly
Posted by fooliping - 2014/11/02 22:36

_____

Hi I'm having some problems, I noticed that the sub menu of my menu are not displaying properly, like when I hover over my menu, the sub menus can appear on the top of the page and not beside it, how can I solve this problem?

Does the browser size or the webpage version affects the outlook?

_____

Hello,

Where we can see the problem?

Regards,
ARI Soft
