Menu Samples

Posted by propolis - 2010/08/09 08:25

_____

Hi,

Are there any links to menu samples or sites that use ARI YUI menu

Also, the link to the documentation file - I tried one link and got a 403, not sure why

Thanks

 :)

_____

Hello,

What documentation file you mean? You can see ARI YUI Menu in action on our demo site.

Regards,
ARI Soft
