
ARI YUI Menu and J4

Posted by lynnapp - 2023/07/10 14:50

Hi,
Will this work in J4? if not do you have plans to update?

Hello,

The module is not compatible with J! 4.x. We have no plans to update it for J! 4.

Regards,
ARI Soft

Sorry to hear that, it was great.
Thank you
