arimenu and virtuemart...

Posted by neilaj - 2011/01/31 20:50

_____

Hello, I using the menu with virtuemart, the menu is in the left but when i "proceed to checkout" the popup login/create page generated by virtuemart goes partially behind the menu. Can you help with this?
Thanks
Neil. http://www.ari-soft.com/images/fbfiles/images/x4.jpg

_____

Hello,

Provide link to page where we can see this issue that we can investigate it.

Regards,
ARI Soft

_____

Add the following CSS rule to site template CSS file:

div#GB_window
{
 z-index: 11000;
}
