The menu was working properly till today noon.  
But now it is not showing the menu items and the site has broke in IE6.  
In India a lot of perple are using IE6, so cannot help it.  
It is very urgent.  
The web site is:  
[www.bachpanglobal.com](http://www.bachpanglobal.com)

Hello,

This problem with "Ultimate PNG fix" plugin, if you remove the following code:

The menu will work fine.
