## Width on vertical menu

Posted by dragonfr67 - 2013/03/20 20:40

---

Hello

i use ARI Ext Menu on my new site, it work fine but i will change the width of the blocs

How can a do that

Look the site : [http://cdcottrott.cldo.org/index.php?option=com\\_content&view=article&id=71&Itemid=469](http://cdcottrott.cldo.org/index.php?option=com_content&view=article&id=71&Itemid=469)

I will that that menu bloc item have the same lengt as my menu title "Les Courses"

Thank's for your help

Hello,

You can read how to change menu items width here.

Regards,  
ARI Soft
