
Remove Space between Menu Items

Posted by lizzieid - 2013/05/27 15:03

<http://sshursa.org/>

I have crazy spaces between each menu item and am not sure how to remove. My site template is OneWeb.

Hello,

This problem with site template styles. Add the following CSS rule:

```
nav .ux-menu li
{
  margin: 0;
}
```

Regards,
ARI Soft
