
Drop down menu overlapped

Posted by silaen - 2013/08/23 14:23

Hello,

I have installed ARI Ext Menu and place it as Top Menu, but the drop down menu seem not properly worked, it's overlapped and the text is really small.

Hello,

Provide a link to a page where we can see the problem.

Regards,
ARI Soft

This problem with site template styles for default menu. Open index.php site template file and replace the following code:

with the following one:
