
Vertical Dropdown menu not showing fully

Posted by giorgosx - 2013/10/15 14:57

Hi

My menu not showing fully.

Here is a link to the page where you can see the menu.

I m sure it is a problem with site template styles but i cant fix it.

Thank you!

Hello,

Add the following CSS rules:

```
BODY div.ot-leftcolumn .otModule-i,  
BODY div.ot-leftcolumn .otModuleContent-i  
{  
  overflow: visible;  
}
```

```
BODY div.ot-leftcolumn UL.ux-menu LI  
{  
  padding: 0;  
}
```

Regards,
ARI Soft
