Menu not working

Posted by homayra - 2013/12/05 02:27

_____

Hi Dear,
Just downloaded your menu module.

My menu does not show properly.

I would like my menu to display horizontaly beside my logo and the flyout menu should work.

Please advise how I can set it up.

thanks http://www.ari-soft.com/images/fbfiles/images/Screen_Shot_2013_12_04_at_9.png

_____

Hello,

Send a link to a page where we can see the problem.

Regards,
ARI Soft
