Submenu does not show on IE9

Posted by cuby - 2014/01/09 15:00

Could you help me out? On IE9 no submenu's are showing: http://bomaraardwarmte.nl

I tried the z-index in the parameters, but that does n't do the job ...

joomla 2.5.17, ARI Ext Menu

Thanks in advance!

Hello,

It seems a javascript error (which is not related to "ARI Ext Menu") occurs and it prevents execution of "ARI Ext Menu" javascript code. Fix the error and the menu should work fine.

Regards, ARI Soft
