Hello,

Send a link to a page where we can see menu.

Regards,
ARI Soft

www.cazaplaneta.es

When i show WEB in diferent lenguaje, i like me the menu centered over de logo,

Thanks

Add the following CSS rules to "CSS Styles" parameter in module settings:

```
.ux-menu-container
{
text-align: center;
}
```

```
.ux-menu-container .ux-menu
{
position: relative;
display: inline-block;
left: -30px;
}
```

Regards,
ARI Soft
