
background colors

Posted by mercer1122 - 2014/06/15 11:53

Hi, on my side menu, I need to make the colored background go all the way to the bottom and the active item background to be as wide as the column. I have tried various css to no avail.

Please see <http://mairsandpower.emorydayclients.com/index.php/about-us/history>

Thank you.

Hello,

Information about menu HTML layout and CSS classes is available here. It can be used to customize the menu.
