Hi,

My ARI Ext Menu has ">" on the left hand side of menu.
How can I make them disappear?

Add the following CSS rules:

```
UL.ux-menu LI {padding: 0px !important;}
```

```
UL.ux-menu UL {padding: 0 !important;}
```

```
UL.ux-menu LI A {padding: 10px 12px !important;}
```

Regards,
ARI Soft
