Hello,

Provide link to page, please, where we can see this issue. It seems this conflict with site template CSS styles.

Regards,
ARI Soft

See our the previous post. Provide link to page where we can see this issue because it seems like problem with site template and we need to see it on live site. Screenshot can't help resolve this issue.

Regards,
ARI Soft

Add the following CSS rule:

```
.ux-menu li
{
    margin: 0;
}
```

Regards,
ARI Soft

If you want to change background, you can use the following CSS rule:

```
.art-nostyle .ux-menu-container
{
background-image: url("images/menu-item-bg-current.png");
}
```

Regards,
ARI Soft
