## No action behind main menu item

Posted by rvg - 2015/11/23 16:06

---

Hi,

I would like to have no action behind a main menu item (no link), only on de sub menu items. Is this possible?

Thanks in advance.

Kind regards,  
Richard

Hello,

Create menu items with "System Links -> Text Separator" menu item type.

Regards,  
ARI Soft
