
base menu item

Posted by dikmore - 2016/08/15 07:00

Hello,

in standard menu module in J3, there are option base menu item, but in ARI Ext Menu no. I have I big top menu and I want to display submenu from it on left side as another menu. How can do it?

Thanks...

Hello,

Sorry, but the module doesn't support this parameter.

Regards,
ARI Soft
