
Different colors on menu buttons

Posted by choco92lat - 2016/09/07 16:50

Hi,
Is it possible to specify a different background color for a specific item of the menu ?
Thanks for your answer.

Thanks for the answer. I tried this. Surprisingly it works for "width" but not for "background-color". Is a special syntax needed?

Could you provide a link to a page with the menu?
