
PROBLEM WITH SUB MENU

Posted by maillawale - 2019/08/06 18:38

Hello,

Kindly help, Ari Ext Menu only shows one step of the sub menus instead of the 3 steps available in the menu items. How can I resolve this? <http://www.ari-soft.com/images/fbfiles/images/arimenu1.jpg>

Hello,

Could you send screenshots of module settings page by email and a link to a page with the menu?

Regards,
ARI Soft
