
Center horizontal menu

Posted by amanduhb52 - 2010/10/11 22:12

Hello,

I'd like to center my menu. Url is TheMercurial.com.

Thank you!

Amanda

Hello,

Use the following CSS rule:

```
#bc_container .ux-menu-container
{
    text-align: center;
}
```

```
#bc_container .ux-menu
{
    display: inline-block !important;
}
```

Regards,
ARI Soft
