_____

We don't know what background do you want to use. If you provide link to page where we can see the menu and background what you want to use we can try to help.

Regards,
ARI Soft

_____

We can't help in this case because we don't know what background do you want to use and it's image or simple color.

Regards,
ARI Soft

_____

I m using a image as a header in which pink stip on the lower part of that is uses as a top menu...

the image is shown as below...

http://www.ari-soft.com/images/fbfiles/images/header__1600x1200_.jpg

_____

We need to see it on your site that know about site template styles and where this image is located. We can help if you provide link to page where we can see the menu and image which you want to use as background.

Regards,
ARI Soft
