
Make only last level linkable to the page

Posted by elena21 - 2010/12/15 15:33

My client requested that

Level 1 and Level 2 buttons should NOT link to any pages if there is Level 3. Only last level is active.

How can I do it in this module?

Thank you

Hello,

You can set menu item type "Separator" for 1st and 2nd levels menu items.
