
Adding a three part menu button background

Posted by buildanewcomputer.com - 2011/01/01 22:45

Hello,

Im looking to add a three part menu background button image. a left right and middle part. but i cant seem to find where to add b classes and p classes to each menu item.

Please refer to the following link to see my example.

http://www.cssplay.co.uk/menus/gif_overlap.html?current=four

Thanks, Jayson

Hello,

It requires custom modification of the module. You can change menu HTML layout in the following file:

`/modules/mod_ariextmenu/mod_ariextmenu/templates/menu.html.php`
