
Vertical menu hover doesn't work

Posted by marver - 2011/01/03 20:59

My mistake...

I was almost done with editing the CSS-file, but now I made a mistake somewhere, if I hover a link, and the next level opens, the hover color is not active anymore. Hope you understand.

See:

I hope someone can help me out.

Hello,

Replace the following code in menu.min.css file:

```
.ux-menu a:focus,.ux-menu a:hover, ux-menu a.ux-menu-link-hover
```

with

```
.ux-menu a:focus,.ux-menu a:hover, .ux-menu a.ux-menu-link-hover
```
