Center tekst links
Posted by marver - 2011/01/04 20:20

_____

Is there a way to center my links better. It is centered, bud because in some links there are arrows, those links go to the left a little.

See:

_____

Do you want to change position of main menu items?

Regards,
ARI Soft

_____

Yes, the tekst 'wie' and 'wat' a little to the right.

_____

Try the following CSS rule:

.ux-menu A.ux-menu-link-parent
{
 padding-left: 20px;
}
