| How to resetting Remaining time question countdown for ari quiz lite? |
| Re:Remaining time. Posted by admin - 2011/03/05 16:59 |
| Hello, |
| Could you explain what do you mean? |
| Regards, ARI Soft |

| When the question published, the countdown for answering display at the right side, 10s as a default, so how to change or add more time for student to answer that question. please see attachment. http://www.ari-soft.com/images/fbfiles/images/question.JPG |

| Set "Question Time" parameter in quiz settings or if you use question categories in question category parameters. |
