
About images

Posted by Sasso - 2009/10/30 14:53

Hi,

I'd to know why when i put an image in quizzes, it doesn't show. If i save the page, then image disappears... Is there some option to run?

Thanks

I removed the old version and installed new version but i don't see the plugin anymore and the menu link to 404 page...

Help please...

Hello,

It isn't ARI Quiz Lite, it's ARI Quiz component. If you need any help with ARI Quiz, provide your order number and license key by email (info@ari-soft.com) please.

Regards,
ARI Soft
