
Help Downloading ARI Quiz Lite

Posted by nhhs09jmtravis - 2009/11/07 23:21

Every time I click the download link I get this error.

"You can't download the file directly. Visit download page, please, that download the file."

I have looked for a downloads page, but have been unsuccessful.

Any help?

Hello,

Do you try to download the component from this page? Which browser you use?
